**Prizes**

7. The one (1) verified Winner will receive the following: (i) one (1) Generac home generator with a capacity of generating up to twenty-six thousand watts (26kW) which will power a home no larger

than 3,000 square feet, inclusive of installation, materials, and permits; and (ii) one (1) year generator service, valued at approximately \$20,000.00 and provided by Craig's Electrical & Generator Service (the "Prize"). The exact Prize unit to be determined based on the size of the property, the installation location, and the Entrant's Eligible Home's load calculation. Winner will receive the Prize that fits the Entrants' Eligible Home on the date of entry. Certain homes may require a generator with a capacity larger than twenty-six thousand watts (26kW). In the event Craig's Electrical & Generator Service determines that the Winner's home is eligible for a whole house generator installation but requires a larger capacity generator of more than twenty-six thousand watts (26kW), Craig's Electrical & Generator Service may elect, in its sole discretion, to offer the Winner a \$20,000.00 credit to be used toward the purchase and installation of a larger capacity generator, and is subject to certain exclusions and restrictions. Winner is solely responsible for any costs associated with a larger generator and installation beyond the \$20,000.00 credit. No part of the Prize (including any credit) is redeemable for cash. No portion of this Prize is transferable. Winner is not entitled to any difference (in cash, credit, or other prizes) in value between \$20,000.00 and the actual value of the Prize unit determined appropriate for installation at the Eligible Home.

- a. **Fulfillment of this Prize is subject to final eligibility inspection and verification of the potential winner's home by Craig's Electrical & Generator Service to confirm such home meets the Eligible Home criteria set forth in these Contest rules. Potential winner has until up to five (5) days from the date of Station notification to allow the inspection and verification of home by Craig's Electrical & Generator Service.**
- b. The potential Winner is solely responsible for researching and obtaining any approvals from a neighborhood board or homeowner's association (including, without limitation all costs and expenses associated with obtaining such approvals and authorizations). A potential Winner's home may be deemed ineligible if installation is not allowed by a neighborhood board or homeowner's association.
- c. Some parishes, counties, and/or cities may require a home survey for a whole home generator installation. The cost of any such required survey is not included in the Prize. Winner is solely responsible for the cost of obtaining any survey required for fulfillment of the Prize.
- d. The Prize is for the installation of a new generator. The cost of any additional construction that may be needed to remove an older generator or any pre-existing structure in order to fulfill the Prize is not included. Winner will be responsible for any additional costs required for removal of any older generator or any pre-existing construction.
- e. Install date must be mutually agreed upon by Winner and Craig's Electrical & Generator Service. Prize must be scheduled with Craig's Electrical & Generator Service for installation within sixty (60) days of Winner verification (the, "**Prize Redemption Period**") or Winner will be deemed to have forfeited the Prize. documents to evidence eligibility and qualification (including, without limitation, deeds and/or leases). The record owner of the property where the Prize will be installed must have a standard homeowner's insurance policy on the home before any work will commence. Stations may require proof of such policy. Failure to provide any requested documents by the deadline requested by the Stations will result in automatic disqualification -- in which case, an alternate winner will be selected by Stations in this Contest from among all other entries received.

8. Winner understands and agrees that Station is not responsible for any delays or any damage resulting from the work at the home.
9. Like all work in a home, there is always the possibility of significant delays (due to delays in obtaining materials, supplies, third party contractors, etc....) before, during, or after the construction of work and/or increased costs or time due to unforeseen circumstances or conditions. Winner understands and accepts any such risk of delay or increased costs in excess of the line item caps above. Winner understands and agrees that Station, Craig's Electrical and Generator Service, and its vendors are not responsible for any delays.
10. **WINNER UNDERSTANDS AND AGREES THAT HE/SHE IS RESPONSIBLE FOR ANY LIABILITY ARISING FROM WORK BEING CONDUCTED IN THEIR HOME AND AGREES TO COMPLETELY RELEASE STATIONS FROM ANY LIABILITY OR RESPONSIBILITY WHATSOEVER RESULTING FROM THE DAMAGE OF ANY PROPERTY OR INJURY OF ANY PERSON IN CONNECTION WITH OR ARISING FROM THE USE OF THE PRIZE AND THE WORK TO BE PERFORMED IN CONNECTION WITH THE PRIZE, REGARDLESS OF THE CAUSE. THE FOREGOING SHALL NOT RELIEVE THE CONTRACTORS PERFORMING ANY WORK AT THE HOME FROM ANY LEGAL RESPONSIBILITY OR OBLIGATION TO THE WINNER OR OTHERS.**
