How to Win

4. There will be four (4) Hi-Low games played in this Contest, each a separate contest with a different Hi-Low jackpot amount and prize. On Thursday, October 8, 2026 at approximately 7:30pm (PT), 8:00pm (PT), 8:30pm (PT) and 9:00pm (PT) the Station will hold a drawing in which eighteen (18) Entrants will be randomly selected from among all entries received at the time of such drawing (each, a **"Drawing"**), for the opportunity to participate in the following Hi-Low Game. The following rules apply to all four (4) Drawings. At the scheduled approximate Drawing time, a Station representative will randomly select one (1) entry from among all of the entries received in the entry collection box up until the point of such Drawing and will announce the name of the Entrant on the selected entry form. Such Entrant will have sixty (60) seconds from the time of the announcement to present themselves to the Station representative. Upon verification of eligibility and compliance with these Contest rules, the Entrant will become a **"Contestant"** for the immediately following Hi-Low Game. If an announced Entrant does not present themselves within the sixty (60) second deadline, the Entrant will be disqualified from participating in the associated Hi-Low Game and the Station will randomly select and announce another entry. This process will continue until eighteen (18) verified Contestants are found for each Drawing and each Hi-Low Game. In the event there are fewer than eighteen (18) eligible entries at the time of the Drawing, the Hi-Low Game will proceed with the available number of eligible Entrants present.
 - a. All unselected entries received during the Contest entry period will remain eligible for selection in any subsequent Drawing or any following Hi-Low Game.
 - b. Any selected Entrant, who is not present at the time of selection and name announcement, will be disqualified for participation in such Drawing's associated Hi-Low Game. However, such Entrant's entry will be returned to the entry collection box and will remain eligible to be selected for any subsequent Drawings.
5. Each Hi-Low Game will begin immediately after the conclusion of its Drawing, once the eighteen (18) verified Contestants (or the available number of eligible Contestants) are found. Each Hi-Low Game jackpot amount will be predetermined by the Station and will be a different jackpot amount for each of the four (4)

Hi-Low Games, varying from \$100.00 to up to \$1000.00 dollars. Each Hi-Low Game will proceed in the same manner and as follows:

- a. Starting in the order they were selected during the Drawing with the first selected Contestant, each Contestant will have thirty (30) seconds to guess the exact jackpot amount (in dollars and cents). A Station representative then will indicate whether the Contestant's guess is too high, too low or the correct exact amount of the Hi-Low Game jackpot. If the Contestant's guess is not the correct exact amount, then the next Contestant will get to guess in the same manner. This rotation will continue until a Contestant guesses the correct exact Hi-Low Game jackpot amount. The Station will not post or keep track of any guessed amounts for Contestants. The Contestant who correctly guess the exact Hi-Low Game jackpot amount, upon confirmation of eligibility and compliance with these Contest rules, will be deemed the **"Winner"** and will receive that Hi-Low jackpot amount Prize (*as detailed in Section 13 below*).
 - b. In the event a Hi-Low Game is still in progress and a Winner has not been found by the time the next scheduled Drawing is set to take place, the Drawing will commence at its scheduled approximate time to confirm verified Contestants for the upcoming Hi-Low Game. However, the Station, in its sole discretion may delay the start of the next Hi-Low Game until the preceding game is complete.
6. All entrants and Contestants hereby agree to strictly follow all instructions and directions given by Station personnel at the event and understand that any intentional failure to comply with these Contest rules or procedures or instructions given by Station staff will result in immediate disqualification. In no event will any "deal-making" between participants be permitted. Station reserves the right to disqualify any person that it suspects has participated in or offered or accepted any type of "deal-making" with respect to this Contest.
 7. ONLY THE ACTUAL ENTRANT WHO ENTERED THIS CONTEST CAN PARTICIPATE. ENTRANTS AND CONTESTANTS CANNOT TRANSFER OR ASSIGN THEIR SPOTS TO OTHER PERSONS AT THE EVENT. NO OTHER INDIVIDUAL MAY PARTICIPATE ON BEHALF OF AN ENTRANT OR CONTESTANT. NO PROXIES OR STAND-INS WILL BE ALLOWED.
 8. You may only be a Contestant once in this Contest and may not participate as a Contestant in more than one (1) Hi-Low Game. Limit of up to one (1) prize per person.
 9. Verified Contestants may remain present until the conclusion of the Hi-Low Game. Any Contestant who does not remain present before the end of the Hi-Low Game will be automatically disqualified from this Contest.
 10. There will be up to, but not more than, a potential of eighteen (18) Contestants per Hi-Low Game and up to, but not more than, a potential of seventy-two (72) Contestants total in this Contest.
 11. Up to four (4) Prizes (*as detailed in Section 13 below*) will be awarded in this Contest, one (1) per Hi-Low Game. The maximum amount of all prizes awarded in this Contest is limited to \$2000.00
 12. The odds of an Entrant selecting the correct Hi-Low Game jackpot amount are up to, but no more than, one (1) in eighteen (18) or better if prior Contestants have already guessed on a particular Hi-Low Game jackpot.
