Notice of Termination

Deputy Sheriff Cameron Hunt

On the afternoon of October 20, 2025, you requested me to call you. When I returned your call, you asked me to meet with you on Tuesday, October 21, 2025, regarding a personal matter. The meeting time was set for 9:00 am. We met at the arranged time, and you informed me that you had made the decision to oppose me and run for the position of Lee County Sheriff in the upcoming election. You indicated that you were sure you wished to run and that you had given it much consideration. As a result of your decision, I am placed in the position of terminating your employment as a Deputy Sheriff for Lee County. This action is effective immediately. You are instructed to report to Captain David Tompkins to complete the separation process.
