Fighting the World’s Toughest Diseases

AMGEN IS PROUD TO SUPPORT HEALTHYWOMEN

Amgen harnesses biology and technology to make people’s lives easier, fuller, and longer. We draw upon our deep knowledge of science to push beyond what’s known today. With roots in the biotech revolution, we are one of the world’s leading independent biotech companies – fighting the toughest diseases and helping millions of people globally. For more information, visit www.amgen.com.
Breakthroughs happen together.

Let’s Outdo Cancer

Everything we do is intended to help patients everywhere live longer and healthier lives. That’s why we don’t just work for patients, we work with them to deliver the breakthroughs that will change their lives.

Join us at LetsOutdoCancer.com
About 20% of women do not feel comfortable talking to their healthcare provider about their period.

Let’s change that by having a new type of conversation.

Visit UterineHealthGuide.com to learn more

The information provided is for educational purposes only and is not intended to replace discussions with a healthcare provider.
Corporate Advisory Council

HealthyWomen is proud to convene some of the most influential healthcare companies, key allies and national organizations around our active Corporate Advisory Council table. It is through these valuable partnerships and enriching conversations that HealthyWomen can create and broadly disseminate timely health resources to millions of women and their families.
